

APPENDIX B
MISCELLANEOUS CHARGES NON-RECURRING EFFECTIVE APRIL 1, 2007
Revised January 24, 2011

Late Payment Charge

Bills for service rendered are net and shall be due monthly. If not paid within seventeen (17) days of the bill date, the gross bill, which includes the late payment charge of 7% of the net billing due, but not less than \$5.00 and a maximum of \$15.50, shall be due and payable.

Delinquent Disconnect Fee

When it becomes necessary for an REMC employee to make a trip to a member's premises for the purpose of disconnecting a delinquent amount due the REMC, a 50.00 disconnection fee will be charged to the member for such trip.

Delinquent Reconnect Fee

When service is reconnected for the same member at the same location after service was disconnected for non-payment, a \$50.00 reconnect fee will be charged to the member's account.

Returned Payment Fee

When a payment of a member's account is returned unpaid by the bank for any reason, the member's account will be charged \$25.00 for each item returned to the Whitewater Valley Rural Electric Membership Corporation.

Seasonal Service Reconnect Fee

When service is reconnected to the same member at the same location after service was disconnected at the member's request, a \$60.00 seasonal reconnect fee will be charged to the member's account.

Member Fault Fee

When a member requests the REMC to correct an outage of a member's service and the REMC dispatches an employee or employees to the member's premises and the outage is the result of a malfunction beyond the REMC's facilities or is a result of the member's fault, then and in that event, the member will be charged a fee equal to the labor charges incurred by the REMC plus mileage.

MISCELLANEOUS CHARGES NON-RECURRING
EFFECTIVE APRIL 1, 2007 – Revised Jan. 24, 2011
PAGE 2 OF 2

Connect Fee A non-refundable connect or transfer fee of \$50.00 will be charged on new services and existing services of new customers.

Meter Tampering
Fee A \$150.00 fee will be assessed for electricity diversion or meter tampering plus any costs incurred through litigation.

Member Requested Meter Test Fee
At a members request the Cooperative will test the accuracy of a meter. If the results of the test show the meter is not registering within accuracy standards there will be no fee to the member. If the results of the tests show the meter is registering within accuracy standards and the meter has previously been tested within the past thirty six months, there will be a \$60 meter testing fee on the member's next bill.

Effective Date: April 1, 2007

Adopted by the Whitewater Valley REMC Board of Directors: March 28, 2007

Revision Adopted by the Whitewater Valley REMC Board of Directors: Jan. 24, 2011

Sharon Howell, Secretary-Treasurer
